Subject: A letter from the Board

Date: 24th of January 2022

Dear Atlas members!

The Board of Atlas is pleased to announce some changes of roles within the Atlas Board:

Due to work his obligations, Dennis Baars has ceased his position as temporary Chairperson of the Board. He will take back his previous role as member of the Board.

Emmi Vepsäläinen will take over the position of Chairperson of the Board until the next annual member meeting. She has been for many years active within Atlas, as a player, coach, and Board member.

We are very excited that Emmi will take up this responsibility within the Atlas Board. Her enthusiasm, experience and 'blue heart' will help to drive Atlas forward.

Teemu Kaulio will take over Emmi's responsibility within the Board for the youth development (juniorivastaava).

The above changes will all take effect immediately.

All other positions within the Board remain the same with Kati Rehnström as 'Finance head', Tom Laitinen as 'Secretary' and Ville Rintala and Niko Vornanen as ordinary Board members.

Warm handball regards,

Dennis Baars
